LEASE ASSIGNMENT AGREEMENT

LEASE ASSIGNMENT AGREEMENT (hereinafter called "Lease Assignment") dated as of July 1, 1978 by and between William M. Gibbons, Trustee of the Property of Chicago, Rock Island and Pacific Railroad Company (said Trustee in his capacity as trustee, together with his successors or assigns, being hereinafter called "Trustee"), the United States of America ("United States"), represented by the Secretary of Transportation acting through the Administrator of the Federal Railroad Administration or the Administrator's designee ("Administrator"), and United States Railway Leasing Company ("Lessor").

WHEREAS, Lessor and Trustee have previously entered into a Sublease Agreement of railroad equipment dated as of April 15, 1975 (the "Lease"), a copy of which is attached hereto as Exhibit A; and

WHEREAS, the Lease was filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act on May 19, 1975 and assigned Recordation No. 7895-B; and

WHEREAS, United States and Trustee intend to enter into a financing agreement ("Financing Agreement") by which the Secretary will guarantee

certain obligations of Trustee with respect to certain leased railroad equipment being rehabilitated by Trustee (the "Leased Equipment") which is a part of the railroad equipment described and identified in Exhibit A to Exhibit A hereof; and

WHEREAS, in order to secure the payment of the obligations contained in the Financing Agreement, execution and delivery of this Lease Assignment has been made a condition precedent to execution of the Financing Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and promises herein contained, the parties hereto agree as follows:

1. Trustee hereby assigns to United States the entire leasehold interest in the Leased Equipment described in Exhibit B attached hereto and made a part hereof.

2. The term of this Lease Assignment shall commence forthwith and shall continue as to each item of Leased Equipment until the Lease or the Financing Agreement is terminated, whichever is earlier.

3. Except as provided in paragraph 6 hereof, this Lease Assignment is subject to all of the terms and conditions of the Lease. Trustee shall duly and punctually perform, when due, all of the agreements and obligations under or pursuant to the Lease. This Lease Assignment shall not relieve Trustee from any of these obligations under the Lease.

4. So long as Trustee shall have the right to possession of the Leased Equipment in accordance with the Lease and the Financing Agreement, he shall be entitled, as against the United States, to manage, operate, use, enjoy and be suffered and permitted to remain in the actual and undisturbed possession of the Leased Equipment, to receive, take and use all rents,

incomes, issues, tolls, profits and proceeds thereof and to exercise any renewal or purchase options.

5. If an event of default shall occur under the Lease of which Lessor has actual knowledge, the Lessor shall promptly notify the Administrator in writing of such event; then the Administrator shall at the Administrator's sole option be entitled to and shall succeed to all the right, title and interest of the leasehold interest in any of such Leased Equipment, described in Exhibit B, as the Administrator may designate in writing to the Lessor not more than sixty days after notice of such event of default given by the Lessor, and by such designation the Administrator shall assume the Lease obligations, relative to any such Leased Equipment, accruing subsequent to receipt by the Administrator of such notice given by the Lessor. Notwithstanding the Administrator's right to possession and assumption set forth in paragraph 6 hereof, if the Administrator fails to assume the Lease obligations within sixty days after receiving Lessor's notice of an event of default, the Lessor shall be free to exercise any and all of its remedies under the Lease. In addition, during the aforesaid sixty day period the Lessor shall have the right to exercise all its rights under the Lease, including, but not limited to, the right to require the Trustee to accumulate, assemble and store the Leased Equipment in the manner specified in the Lease, except that the Lessor shall take no action that would impair the rights of the Administrator hereunder.

6. If an event of default (other than a default under the Lease) shall occur under the Financing Agreement and notice of such event shall

have been furnished to the Lessor, then the Administrator shall at the Administrator's sole option be entitled to and shall succeed to all the right, title and interest of the leasehold interest in any of such Leased Equipment, described in Exhibit B, as the Administrator may designate in writing to the Lessor not more than sixty days after notice of such event of default to the Lessor, and by such designation the Administrator shall assume the Lease obligations, relative to any such Leased Equipment, accruing subsequent to the date of such notice.

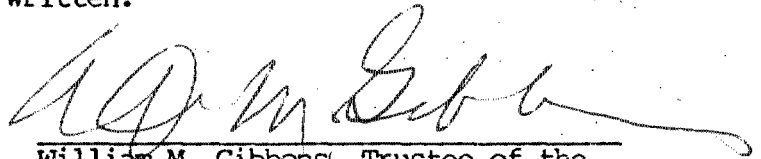

7. The Administrator's right to possession and use of any equipment under this Lease Assignment shall not be affected by any rights (including rights protected under Section 77(j) of the Bankruptcy Act) which the Lessor might have by virtue of a default by the Trustee on any of the Trustee's obligations under the Lease, and the Administrator (or the Administrator's approved sublessees) shall have the right to possess and use or to continue to possess and use such equipment provided all obligations, including but not limited to maintenance obligations and the obligation to make lease payments (prorated for the actual number of cars that the Administrator possesses) under the Lease with respect to equipment which the Administrator possesses) are fully satisfied as they become due.

8. Notwithstanding any terms or conditions of the Lease, the Administrator shall have the right to sublease such equipment as the Administrator takes possession of pursuant to paragraphs 5 and 6 hereof so long as the ultimate use of the equipment is by a railroad company operating in interstate or intrastate commerce within the United States, provided the Administrator remains fully liable to the Lessor under the Lease.

9. The Administrator's rights granted under this Lease Assignment are subject to the requirement that the exercise of any such rights shall not result in any loss of or recapture of Investment Tax Credit with respect to the Leased Equipment. Notwithstanding the latter provision, the Administrator shall have the right in the Administrator's sole discretion to take the assignment of the Lease if, concurrently with such assignment, the Administrator agrees in writing to indemnify and hold the Lessor harmless against any such loss or recapture of the Investment Tax Credit.

10. This Lease Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns and this Lease Assignment may not be modified unless such modification is consented to by the Administrator in writing.

IN WITNESS WHEREOF, Trustee, United States and Lessor, pursuant to proper authority, have caused these presents to be signed in their respective names and their respective seals to be hereunto affixed, duly attested, as of the day and year first above written.

It is Agreed:

1. *Lease of Cars.* United agrees to lease to Lessee and Lessee agrees to and does hereby lease from United the Cars (the term "Cars" and other terms used herein are defined in Paragraph 28 hereof). The Cars covered by this Lease are those which shall be delivered to and accepted by Lessee pursuant to Paragraphs 2 and 3 hereof. The lease shall become effective as to any Car immediately upon its acceptance pursuant to Paragraph 3. (CONTINUED IN RIDER)

United's obligations with respect to delivery of all or any of the Cars are hereby made expressly subject to, and United shall not be responsible for, failure to deliver or delays in delivering Cars due to labor difficulties, fire, delays and defaults of carriers and material suppliers or Car manufacturers, acts of God, governmental acts, regulations and restrictions or any other causes, casualties or contingencies beyond United's control; provided, however, that in no event shall Lessee be obligated to accept delivery of Cars after August 31, 1975.

Initial delivery shall be f.o.t. Washington, Indiana.

From and after acceptance of a Car, Lessee shall be liable for, and shall pay or reimburse United for the payment of, all costs, charges and expenses of any kind whatsoever on account of or relating to switching, demurrage, detention, storage, transportation or movement of a Car, including specifically, but not exclusively, freight and switching charges for movement at any time and from time to time to and from any repair shops, storage or terminal facilities.

3. *Condition of Cars - Acceptance.* All Cars delivered hereunder shall be in satisfactory condition for movement in the normal interchange of rail traffic and shall otherwise comply with the description and/or specifications contained in Exhibit A; but Lessee shall be solely responsible for determining that Cars are in proper condition for loading and shipment. Within five (5) days after United shall give Lessee notice that some or all Cars are ready for initial delivery, Lessee may have its authorized representative inspect such Cars at (~~the manufacturer's plant~~) (the manufacturer's plant)\* and accept or reject them as to condition. Cars so inspected and accepted and any Cars which Lessee does not elect to inspect shall upon delivery thereof to Lessee as above provided be conclusively deemed to be accepted and subject to this Lease and to meet all requirements of this Lease. 4. *Use and Possession.* Throughout the continuance of this Lease so long as Lessee is not in default hereunder, Lessee shall be entitled to possession of each Car from the date the Lease becomes effective as to such Car and shall use such Car (a) on its own property or lines, or (b) upon the lines of any railroad or other person, firm or corporation in the usual interchange of traffic; provided, however, that Lessee agrees that the Cars shall at all times be used (i) in conformity with Interchange Rules; (ii) in compliance with the terms and provisions of this Lease; (iii) in a careful and prudent manner, solely in the use, service and manner for which they were designed; (iv) only within the continental limits of the United States of America or in Canada; ~~xxxxxx~~ provided,

5. *Term.* This Lease shall be for a term which shall commence on the date of delivery by United of the first Car, as provided in Paragraph 2 hereof, and shall terminate fifteen years from the Average Date of Delivery unless sooner terminated in accordance with the provisions of this Lease or unless extended pursuant to written agreement of the parties.

See Rider for  
option to ex-  
tend.

6. *Rental.* During the term of this Lease, Lessee shall pay to United for each Car, commencing on the date of delivery thereof a rental of \$ 265.00 per Car per month.

7. *Payment.* Lessee shall make payment of all sums due hereunder to United in Chicago funds at the address provided in Paragraph 21 hereof, or such other place as United may direct. Rental payments shall be made monthly in advance on or before the first day of each month for which such rental is due, except that the first full month's payment shall include rental covering any prior period of less than one month.

8. *Title.* Lessee shall not by reason of this Lease or any action taken hereunder acquire or have any right or title in the Cars except the rights herein expressly granted to it as Lessee.

9. *Repairs.* Lessee shall perform or cause to be performed and shall pay all costs and expenses of, all Repair Work without any abatement in rent or other loss, cost or expense to United. Any parts, replacements or additions made to any car shall be accessions to such car and title thereto shall be immediately vested in United without cost or expense to United.

10. *Substitution of Cars.* United may, at any time and from time to time, replace any Casualty Cars with Replacement Cars and such Replacement Cars shall be deemed to be subject to all terms and conditions of this Lease as if the same had been originally delivered to Lessee at the time and in the place of Cars for which they are substituted. The parties shall execute amendments to this Lease and such other or further documents as may be required by either party hereto to evidence the withdrawal from and termination of this Lease with respect to Casualty Cars, or to include any Replacement Cars within the terms and provisions of this Lease and of any other document under which United has assigned its rights hereunder, as permitted in Paragraph 19 hereof.

11. *No Abatement of Rent.* Rental payments on any Car shall not abate if such Car is out of service for Repair Work nor on account of any other reason whatsoever.

12. *Taxes.* Lessee shall be liable for and pay or reimburse United for payment of all Federal, State or other governmental charges or taxes assessed or levied against the Cars, including but not limited to (i) all Federal, State or local sales or use taxes imposed upon or in connection with the Cars, this Lease, ~~xxxxxx~~, or use of the Cars for or under this Lease, (ii) all taxes, duties or imposts assessed or levied on the Cars or this Lease by a foreign country and/or any governmental subdivision thereof; and (iii) all taxes or governmental charges assessed or levied upon its interest as Lessee of Cars. such tax on rentals which is in substitution for, or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as hereinbefore provided), Lessee will promptly pay or reimburse United for same, but the Lessee shall not be required to pay the same so long as it shall in good faith and by appropriate legal or administrative proceedings contest the validity or amount thereof unless thereby, in the judgment of United, the rights or interest of United in and to the Cars will be materially endangered. In the event any tax reports are required to be made on the basis of individual Cars, the Lessee will either make such reports in such manner as to show the ownership of such Cars by United or will notify United of such requirements and will make such report in such manner as shall be satisfactory to United.

13. *Liens.* Lessee shall keep the Cars free from any and all encumbrances or liens in favor of anyone claiming by, through or under Lessee which may be a cloud upon or otherwise affect United's title, including but not limited to liens or encumbrances which arise out of any suit involving Lessee, or any act, omission or failure of Lessee or Lessee's failure to comply with the provisions of this Lease, and Lessee shall promptly discharge any such lien, encumbrance or legal process.

14. *Indemnities - Patent Covenants.* Lessee agrees to indemnify United and hold it harmless from any loss, expense or liability which United may suffer or incur from any charge, claim, proceeding, suit or other event which in any manner or from any cause arises in connection with the use, possession or operation of a Car while subject to this Lease, and without regard as to how such charge, claim, proceeding suit or other event arose, including without limiting the generality of the foregoing, whether it arises from latent or other defects which may or may not have been discoverable by United. United agrees to indemnify Lessee and save it harmless against any charge, loss, claim, suit, expense or liability arising out of or on account of the use or incorporation by United upon delivery of a Car or upon the making of repairs thereto by United, of any invention or the infringement of any patents, except if such invention was used or incorporated by reason of Lessee's specifications. The term "United" shall mean and include any subsidiary, parent or affiliated corporation for all purposes of this Paragraph 14. Lessee's indemnity shall not eliminate any rights which Lessee may have under any manufacturer's warranty assigned to it pursuant to Paragraph 22. The indemnities and assumptions of liability herein contained shall survive the termination of this Lease. Each party shall, upon learning of same, give the other prompt notice of any claim or liability hereby indemnified against.

15. *Lettering - Inventory.* At United's election all cars may be marked with United's name designating it as owner or Lessor and may bear the following inscription: "Title to this car subject to documents recorded under Section 20c of Interstate Commerce Act". Except for renewal and maintenance of the aforesaid lettering or lettering showing the interest of the Lessee, no lettering or marking shall be placed upon any of the Cars by Lessee except upon the written direction or consent of United. United may at its own cost and expense inspect the Cars from time to time wherever they may be, and Lessee shall, upon request of United, but no more than once every year, furnish to United its certified inventory of all Cars then covered by this Lease.

16. *Loss, Theft or Destruction of Cars.* In the event any Car is lost, stolen, destroyed or damaged beyond economic repair, Lessee shall, by notice, promptly and fully advise United of such occurrence. Except where United shall have received payment for such Casualty Car from a handling railroad or other party under and pursuant to Interchange Rules, Lessee shall, within 45 days after demand by United, promptly make payment to United in the same amount as is prescribed in the Interchange Rules for the loss of such Car. This Lease shall continue in full force and effect with respect to any Casualty Car irrespective of the cause, place or extent of any casualty occurrence, the risk of which shall be borne by Lessee; provided, however, that this Lease shall terminate with respect to a Casualty Car on the date United shall receive all amounts and things granted it on account of such Car under this Paragraph 16 and Lessee shall have no further liability to United hereunder except for accrued rent and as such arises or exists under Paragraphs 12, 13 and 14 hereof.

17. *Return of Cars.* Upon the expiration or upon the termination of this Lease with respect to any Car (other than pursuant to Paragraph 16 hereof), Lessee shall at its sole cost and expense forthwith surrender possession of such Car to United by delivering same to United as such car shop, storage or terminal facility ~~by notice to Lessee~~ by notice to Lessee. Each Car so surrendered shall be in the same or as good condition, working order and repair as when delivered to Lessee, wear and tear from ordinary use and the passage of time excepted, and shall be in need of no Repair Work. Until the delivery of possession to United pursuant to this Paragraph 17, Lessee shall continue to be liable for and shall pay rental at the rate being paid immediately prior to termination or expiration, and Lessee shall in addition make all other payments and keep all obligations and undertakings required of Lessee under any and all provisions of this Lease as though such termination or expiration had not occurred. If United shall so request by notice delivered prior to surrender of possession of such Car as above provided, Lessee shall provide suitable storage for such Car for a period of ninety (90) days from the date of expiration or termination and inform United of the place of storage and the reporting number of the Car there stored. Delivery in storage shall constitute delivery of possession for the purpose of this Paragraph 17 and such storage shall be at the risk of United. Upon termination of the storage period or upon request of United prior thereto, Lessee shall cause the Car to be transported to United as above provided.

at Blue Island  
Illinois, or  
Washington,  
Indiana,

18. *Default.*

See RIDER, Paragraph R-4

19. *Sublease and Assignment.* The right to assign this Lease by either party and the Lessee's right to sublease shall exist only as follows:

(a) Lessee shall have no right to assign or sublease or loan any of the Cars without the prior written consent of United, provided, however, that Lessee shall have the right to assign all of its rights under this Lease to another railroad corporation which succeeds to all or substantially all of the business of Lessee, provided such successor shall expressly assume all of the obligations and liabilities of Lessee hereunder;

(b) all rights of United hereunder may be assigned, pledged, mortgaged, transferred or otherwise disposed of either in whole or in part without notice to Lessee. This Lease and Lessee's rights hereunder are and shall be subject and subordinate to any chattel mortgage, security agreement or equipment trust or other security instrument covering the Cars heretofore or hereafter created by United. If United shall have given written notice to Lessee stating the identity and post office address of any assignee entitled to receive future rentals and any other sums payable by Lessee hereunder, Lessee shall thereafter make such payments to the designated assignee.

The making of an assignment or sublease by Lessee or an assignment by United shall not serve to relieve such party of any liability or undertaking hereunder nor to impose any liability or undertaking hereunder upon any such assignee or sublessee except as otherwise provided herein or unless expressly assumed in writing by such sublessee or assignee.

20. *Opinion of Counsel.*

See RIDER, Paragraph R-5

21. *Notice.* Any notice required or permitted to be given pursuant to the terms of this Lease shall be properly given when made in writing, deposited in the United States mail, registered or certified, postage prepaid, addressed to:

United at: 2200 East Devon Avenue  
Des Plaines, Illinois 60018

Lessee at: 745 South LaSalle Street, Chicago, Ill. 60605

Attention: Treasurer

or at such other address as either party may from time to time designate by such notice in writing to the other.

22. *Warranty — Representations.* United makes no warranty or representation of any kind, either express or implied, as to any matter whatsoever, including specifically but not exclusively, merchantability, fitness for a particular purpose extending beyond the description in Exhibit A, or the design, workmanship, condition or quality of the Cars or parts thereof which Cars have been accepted by Lessee hereunder; and United shall have no liability hereunder for damages of any kind, including specifically but not exclusively, special, indirect, incidental, or consequential damages on account of any matter which might otherwise constitute a breach of warranty or representation. United agrees to assign to Lessee such rights as it may have under warranties, if any, which it may have received from the manufacturer of any Cars or parts therefor and shall at Lessee's expense cooperate with Lessee and take such action as may be reasonably requested to enable Lessee to enforce such rights. Lessee represents that all of the matters set forth in Paragraph 20(a) through and including (e) shall be and are true and correct at all times that any Car is subject to this Lease.

23. *Governing Law — Writing.* The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Illinois. The terms of this Lease and the rights and obligations of the parties hereto may not be changed or terminated orally, but only by agreement in writing signed by the party against whom enforcement of such change or termination is sought.

24. *Counterparts.* This Lease may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same contract, which may be evidenced by any such signed counterpart.

25. *Severability — Waiver.* If any term or provision of this Lease or the application thereof to any persons or circumstances shall to any extent be invalid or unenforceable, the remainder of this Lease or the application of such term or provision to persons or circumstances other than those as to which it is invalid or unenforceable shall not be affected thereby, and each provision of this Lease shall be valid and be enforced to the fullest extent permitted by law. Failure of United to exercise any rights hereunder shall not constitute a waiver of any such right upon the continuation or recurrence of the situation or contingency giving rise to such right.

26. *Terminology.* In construing any language contained in this Lease, no reference shall be made and no significance given to paragraph titles, such titles being used only for convenience of reference. Where the context so permits, the singular shall include the plural and vice versa.

27. *Past Due Payments.* Any nonpayment of rentals or other sums due hereunder, whether during the period within which a default may be cured or for a longer period, and whether or not deemed a default or violation of this Lease, shall result in the obligation on the part of the Lessee to

pay also an amount equal to ten per cent per annum (or if such rate may not lawfully be charged, then the highest rate which may lawfully be charged) of such overdue sum for the period of time during which overdue and unpaid.

28. *Definitions.* For all purposes of this Lease the following terms shall have the following meaning:

(a) "Cars" — railroad cars of the type, construction and such other description as is set forth in Exhibit A.

(b) "Interchange Rules" — all codes, rules, interpretations, laws or orders governing hire, use, condition, repair and all other matters pertaining to the interchange of freight traffic reasonably interpreted as being applicable to the Cars, adopted and in effect from time to time by the American Association of Railroads and any other organization, association, agency, or governmental authority, including the Interstate Commerce Commission and the United States Department of Transportation, which may from time to time be responsible for or have authority to impose such codes, rules, interpretations, laws or orders.

(c) "Average Date of Delivery" — that date which is determined by (i) multiplying the number of Cars delivered by United on each day by the number of days elapsed between such day and the date of delivery of the first Car hereunder, and (ii) adding all of the products so obtained and dividing that sum by the total number of Cars delivered and (iii) adding such quotient rounded out to the nearest whole number to the date of delivery of the first Car. The date on which delivery of a Car shall be deemed to have been made will be the day following delivery of the Car to the Lessee, as specified in Paragraph 2. A Car shall be conclusively deemed delivered to the Lessee on the earliest date shown on any of the following: (i) Certificate of Inspection and Acceptance or other writing accepting a Car signed by the Lessee; or (ii) a bill of lading showing delivery to Lessee or to a railroad for the account of Lessee.

(d) "Repair Work" — All repairs, maintenance, modifications, additions or replacements required to keep and maintain the Cars in good condition, working order and repair (wear and tear from ordinary use and the passage of time excepted), in compliance with Interchange Rules in effect from time to time and complete with all devices, appliances appurtenances and parts with which the Cars were initially equipped or which from time to time may be required by Interchange Rules.

(e) "Casualty Cars" — Cars which are lost, stolen, destroyed or damaged beyond economic repair.

(f) "Replacement Cars" — Cars of substantially similar description and specifications to that set forth in Exhibit A which are substituted for Casualty Cars.

(g) "Present Worth" — An amount equal to the excess of the total remaining rentals over the fair rental value all as determined in Paragraph 18(c), discounted five percent per annum compounded annually.

(Continued on Rider attached hereto)

29. *Benefit.* Except as otherwise provided herein the covenants, conditions and agreements contained in this Lease shall bind and inure to the benefit of the parties and (to the extent permitted in Paragraph 19 hereof) their successors and assigns. Without limiting the generality of the foregoing, the indemnities of the Lessee contained in Paragraph 14 hereof shall apply to and inure to the benefit of any assignee of United, and if such assignee is a trustee or secured party under an indenture under which evidence of indebtedness has been issued in connection with the financing of the Cars, then also to the benefit of any holder of such evidence of indebtedness.

30. *Recording.* Upon request by United, Lessee shall join in the execution of a memorandum or short form of this Lease for use in recordation under Section 20c of the Interstate Commerce Act or such other recordation as United deems appropriate. Said memorandum or short form of lease shall describe the parties, the Cars being leased and the term of this Lease including any options to extend and shall incorporate the Lease by reference.

IN WITNESS WHEREOF, United and Lessee have duly executed this Lease as of the day and year first above written.

RIDER consisting of 5 page (s) attached to and made a part of Sublease dated April 15, 1975, by and between United States Railway Leasing Company ("United") and William M. Gibbons, Trustee of the Property of the Chicago Rock Island and Pacific Railroad Company, Debtor ("Lessee").

R-1 Lease of Cars (Continued from Paragraph 1) In no event shall this lease become effective prior to the approval and confirmation by the United District Court, Northern District of Illinois, Eastern Division, or such other Court hereinafter called the "Reorganization Court" having jurisdiction in the Reorganization Proceedings (hereinafter defined in Paragraph 18[g]) of the Chicago Rock Island and Pacific Railroad Company, Debtor.

R-2 Option to Extend. Unless Lessee is in default under the provisions of this Sublease, Lessee shall have an option to extend the term of this Sublease upon the same terms and condition as to all or any portion of the Cars then subject to this Sublease by notifying United in writing no less than ninety (90) days and no more than six (6) months prior to the end of the original term. An extension pursuant to this option with respect to any Car shall be for a period (hereinafter referred to as the "extended term") of five (5) years from the end of the original term.

Lessee shall pay to Lessor as rental for each Car during the extended term, from and including the first day following the end of the original term, an amount to be decided upon by the two parties at the expiration of the base term.

R-3 Sublease. Lessee acknowledges that United's right, title and interest in the Cars shall be either that of the owner of the Cars or may be that of a lessee under and pursuant to that certain lease by and between United as Lessee and Greyhound Leasing & Financial Corporation as Lessor dated as of March 3, 1975. Lessee further acknowledges that a copy of said Lease and Supplement attached thereto has been exhibited to it and that it is familiar with the terms thereof. United intends to assign this Sublease to Greyhound Leasing & Financial Corporation under the Lease between said parties. United, Lessee and Greyhound Leasing & Financial Corporation have, pursuant to and as a part of said Assignment, acknowledged that the rights of Lessee hereunder are subject and subordinate to the rights of Greyhound Leasing & Financial Corporation as Lessor under the Lease; provided, however, that so long as Lessee shall not be in default under any of the terms and conditions of this Sublease, it shall be entitled to quiet possession of the Cars, all as is more particularly set forth in said Assignment.

R-4 - 18. Default. The term "event of default" for the purpose hereof shall mean any one or more of the following:

(a) non-payment by Lessee within twenty (20) days after the same becomes due of any installment of rental or any other sum required to be paid hereunder by Lessee;

(b) the Lessee shall default or fail for a period of twenty (20) days in the due observance or performance of any covenant, condition or agreement required to be observed or performed on its part hereunder;

(c) the representations made by Lessee as provided in Paragraph 22 hereof shall at any time during the continuance of this Lease become untrue or incorrect;

(d) this Lease is rejected or the obligations of the Lessee hereunder are not assumed by the Reorganized Company (as that term is hereinafter defined); or the Reorganization Proceedings (as that term is hereinafter defined in subparagraph (g) of this Paragraph 18) are dismissed or otherwise terminated without the adoption of a plan confirming this Lease in all respects;

(e) a petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may be hereafter amended, shall be filed by or against any Reorganized Company as hereinafter defined and all the obligations of Lessee under this Lease shall not have been duly assumed by a trustee or trustees or receiver or receivers appointed in such proceedings or otherwise given the same status as obligations assumed by such trustee or trustees or receiver or receivers within thirty (30) days after such appointment, if any, or sixty (60) days after such petition shall have been filed, whichever shall be earlier; or

(f) any proceedings shall be commenced by or against any Reorganized Company as hereinafter defined for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the indebtedness payable hereunder), and all the obligations of Lessee under this Lease shall not have been duly assumed by a trustee or trustees or receiver or receivers appointed for such Reorganized Company or for its property in connection with any such proceedings or otherwise given the same status as obligations assumed by such a trustee or trustees or receiver or receivers, within thirty (30) days after such appointment, if any,

or sixty (60) days after such proceedings shall have been commenced, whichever shall be earlier;

(g) the order of the United States District Court for the Northern District of Illinois, Eastern Division, entered in the Reorganization Proceedings authorizing the execution and delivery of this Lease shall be reversed, modified, amended, terminated or superseded in any material respect which might adversely affect the rights, powers, privileges, remedies or obligations of United under this Lease or of any assignee of United's right, title, and interest in and under the Lease and the continuance of any such order unstayed and in effect for a period of thirty (30) days from the date of entry thereof.

Upon the happening of an event of default, United at its option may:

(h) proceed by appropriate court action either at law or in equity for specific performance by the Lessee of the applicable covenants of this Lease or to recover from Lessee all damages, including specifically but not exclusively, expenses and attorneys' fees which United may sustain by reason of Lessee's default or on account of United's enforcement of its remedies hereunder:

(i) elect only to terminate the Lessee's right of possession (but not to terminate the Lease) without releasing Lessee in whole or in part from its liabilities and obligations accrued hereunder, or hereafter to accrue for the remaining term of the Lease, and thereupon require Lessee to deliver all such Cars to United at such places as it may designate or to take possession itself, of any or all of the Cars wherever same may be found. United may, but need not, require delivery of the Cars to it or repossess the Cars, but in the event the Cars are delivered to United or are repossessed, United shall use reasonable efforts to relet the same or any part thereof to others upon a reasonable rental and such other terms as it may see fit. The proceeds of any such reletting shall first be applied to the expenses (including reasonable attorney's fees) of retaking and reletting of the Cars and delivery to the new lessee and then to the payment of rent due under this Lease. Lessee shall pay any deficiency remaining due after so applying the proceeds as the same shall accrue. United shall not be required to accept or receive any lessee offered by Lessee, or do any act whatsoever or exercise any diligence whatsoever in or about the procuring of another lessee to mitigate the damages of the Lessee or otherwise. The election by United to relet the Cars and the acceptance of a new lessee shall not operate to release Lessee from liability for any existing or future default in any other covenant or promise herein contained;

(j) declare this Lease terminated and recover from Lessee all amounts then due and payable plus, as liquidated damages for loss of bargain and not as a penalty, the Present Worth, as of the date of such termination, of the excess, if any, of the total remaining rentals reserved under the Lease from the date of such termination to the expiration date of the then current term of the Lease over the fair rental value of the Cars for such period;

(k) recover or take possession of any or all of the Cars and hold, possess and enjoy the same, free from any right of the Lessee to use the Cars for any purposes whatsoever.

The remedies provided in this Paragraph 18 in favor of United shall not be deemed exclusive but shall, where not by rule of law inconsistent with each other, be cumulative and may be availed of singly, in combination, or all together and in any order, and shall be in addition to all other remedies, in United's favor existing at law or in equity. The lessee hereby waives any mandatory requirements of law now or hereafter in effect which might limit or modify any of the remedies herein provided to the extent that such waiver is permitted by law.

R-5 - 20. Opinion of Counsel. Upon the request of United or its assignee at any time or times, Lessee will deliver to United an opinion of counsel for Lessee or counsel designated by him, addressed to United or its assignee in form and substance satisfactory to counsel for United, or its assignee, which opinion shall be to the effect that:

(a) The Trustee has been and is duly appointed and validly acting as Trustee of the property of the Chicago Rock Island and Pacific Railroad Company, has the power and authority to carry on its business, and by specific order of court has been authorized to execute and deliver this lease; or alternatively if, during the continuance of this Lease there shall be a corporation or other entity succeeding to the aforementioned Lessee's interest, that such Lessee is duly organized and validly existing under all applicable laws and that it has full power and right to enter into or assume this Lease and carry out all of Lessee's obligations hereunder;

(b) this Lease constitutes the legal, valid and binding obligation of Lessee enforceable in accordance with its terms, and the obligations of Lessee during the continuance of the Reorganization Proceedings for rental and any other sums due or which become due on account of the undertakings and obligations of the Lessee hereunder constitutes an expense of administration;

(c) the rights of United as set forth in this Lease and the title of United to the Cars are free and clear of the lien of any mortgage, security agreement, or other instrument binding on Lessee or in favor of any party claiming by, through or under Lessee or Chicago Rock Island and Pacific Railroad Company, Debtor and all of the Cars which are then subject to the Lease, were, upon delivery to Lessee in condition satisfactory to Lessee and were accepted by Lessee in accordance with the terms of this Lease; provided that with respect to its opinion as to the satisfactory condition of the Cars, counsel for Lessee may rely upon Certificates of Inspection and Acceptance executed by the duly authorized representative of the Lessee;

(d) no recording, filing or depositing of this Lease, other than with the Interstate Commerce Commission in accordance with Section 20(c) of the Interstate Commerce Act and with the Registrar General of Canada pursuant to Section 148 of the Railway Act, together with required notice of such depositing, is necessary to preserve or protect the title of United or its assignee in the United States of America and in Canada; and

(e) all governmental or other authority or approval necessary, if any, in connection with the execution and delivery of this Lease or the performance of any of Lessee's obligations thereunder has been obtained.

R-6 - Paragraph 28 continued:

Gibbons, Trustee of the Property of Chicago Rock Island and Pacific Railroad Company, Debtor, and not individually as well as any additional or successor Trustee of subject property, and upon assignment and transfer of or succession to the interest of the Lessee to a Reorganized Company, shall mean any such Reorganized Company, as well as any successor and assignee permitted in Paragraph 19 hereof.

(i) "Reorganized Company" - any corporation, including Chicago Rock Island and Pacific Railroad Company, Debtor or other entity, which acquires substantially all of the property and business of Chicago Rock Island and Pacific Railroad Company upon termination of the trusteeship of the property of the Chicago Rock Island and Pacific Railroad Company and shall include any successor pursuant to Paragraph 19 hereof.
